PERFORMANCE

Hugo Sanchez is known for giving a voice to his people's needs and social problems, their dreams and nightmares. Together with Olga Margarita Dávila, this performance artist, painter and poet will per-

form the Bay Area premiere of "The Other Mexico: Global Culture vs. Hybridization, a Portrait of Mexican Society." The piece addresses how the United States, NAFTA, Proposition 187 and the devaluation of the peso are creating a country within a country. They will appear Friday, Feb. 7, at 8 p.m. at La Peña Cultural Center, Berkeley. Information: (510) 849-2568. — V. Louise
